

Dear Cholla Residents,

This weekend we are expecting the first extreme heat advisory of the year. As the weather heats up pools become more attractive to children. Please remember to always watch your kids around water. If you must step away, make sure another adult knowingly assumes the responsibility of life guard or take your child with you. Never leave a child unattended and make sure your safety gates, locks and alarms are all functioning properly. With extreme heat, it is even more important to stay hydrated during physical activity. If possible, schedule your outdoor exercise in the morning when temperatures are cooler.

Wishing you a safe and enjoyable summer!

Always feel free to contact me with your questions or concerns. I value your input and opinion.

Glendale Offers "Heat Relief" Stations This Summer.

Glendale is partnering with the Maricopa Association of Governments (MAG) Heat Relief Network, along with several other municipalities, businesses, service providers, and caring residents mobilizing to provide hydration and heat refuge for people in need over the hot summer months.

Eight locations throughout Glendale have been designated as places where those distressed by the heat can find water, shade, and help this summer.

The City Of Glendale Is Adamant People Should Never Leave Children In A Car. Your child is at a risk of heat stroke regardless of the outside temperature if left in a car. Since 1998, on average 40 children nationwide die each year as a result of Heat Stroke after being left unattended in a vehicle. A majority of the time, the caregiver "forgot" that the child was in the vehicle.

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to attend and submit an application for a Board or Commission.
